

# 24-0-11

50% XCU® + 5% Fe

Professional Turf Fertilizer Standard grade (SGN 200)

# **Product Features**

- 50% of the nitrogen is derived from XCU® polymer-coated, sulfur-coated urea. XCU® slow-release nitrogen provides extended feeding.
- Contains 5% iron.

# **Turf Benefits**

- XCU® slow-release fertilizer uses breakthrough technology to provide a unique coating that allows gradual and consistent nutrient release delivering up to 8 weeks of continuous feeding.
- Iron provides deep green color without excessive top growth.

# **Product Characteristics**

## **Directions For Use**

- Read the entire label before use.
- Apply only as directed during the growing season.
- Watering after application will accelerate initial green-up and aid the product's penetration into the turf canopy.
- Nutrite encourages responsible use of our products. Help do your part in protecting our rivers and lakes by following label indications and cleaning driveways and walkways after application. Do not apply to frozen ground.

# **Application Rates**

| Applica<br>Rat             |           | Area<br>Covered | Bags<br>per acre | Nutrients supplied<br>(lb/1000 ft²) |          | •                |
|----------------------------|-----------|-----------------|------------------|-------------------------------------|----------|------------------|
| (lb/1000 ft <sup>2</sup> ) | (lb/acre) | (ft²)           |                  | N                                   | $P_2O_5$ | K <sub>2</sub> O |

# **Suggested Spreader Settings**

To provide proper distribution, calibrate spreader before application.

| Rotary Spreader                                       | Ground<br>Speed | Width of<br>Coverage | 3.8 lb/M<br>Rate | 5.2 lb/M<br>Rate |
|-------------------------------------------------------|-----------------|----------------------|------------------|------------------|
| Accupro 2000                                          | 3 mph           | 12 ft                | H 1⁄2            | l ½              |
| Scotts R-8A                                           | 3 mph           | 12 ft                | 1                | J 1/2            |
| Lesco<br>(Letter / Numeric)                           | 3 mph           | 12 ft                | D 1/2 /11        | E/12             |
| Earthway Rotary                                       | 3 mph           | 12 ft                | 12.5             | 13               |
| Cyclone / Spyker                                      | 3 mph           | 12 ft                | 4                | 4.25             |
| Prizelawn BF-1 /<br>CBR III                           | 3 mph           | 12 ft                | G                | J 1/2            |
| Lely Models WTR,<br>WFR, HR, 1250 (PTO<br>at 450 rpm) | 4.5 mph         | 40 ft                | 5.25             | 5.75             |
| Vicon (03 Series -<br>Standard Spout)                 | 4.5 mph         | 40 ft                | 21               | 24               |

Note: All of calibration starting points given above are for wheel-to-wheel coverage (100% overlap). The spreader settings should only be used for calibration starting points as age, wear and speed of spreader will impact actual applied rate.

#### **Notice**

- Information concerning the raw materials composing this product can be obtained by writing to the Guarantor listed below and referring to the item number found on this container.
- Information regarding the contents & levels of metals in this product is on the internet at http://www.aapfco.org/metals.htm
- This product contains iron which may stain concrete and other surfaces. Product applied to these surfaces should be promptly removed by sweeping or blowing. DO NOT WASH OFF WITH WATER.

#### **Precautions**

 KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. Fertilizer may cause irritation of eyes, nose, throat and skin. In case of contact with eyes, flush with plenty of water; get medical attention.

# **Storage and Use**

- Store in a clean, dry place.
- Reseal opened bag by folding top down and securing.
- Use only clean, dry spreaders.
- Do not leave unused product in spreaders.

#### Notice to Buyer

# CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY:

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, infectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.
